

Ordinance 7-3.7 Parking Prohibited on Snow Covered Streets

7-3.7 Parking Prohibited on Snow Covered Streets.

- a. No person shall park a vehicle on, or leave a parked vehicle on, any snow and/or ice covered street within the Township. Snow and/or ice covered as used herein shall mean that the snow and ice, in any combination, shall have accumulated on the paved portion of the street to form a continuous cover, except where such cover may have been disturbed by the passage of vehicles, pedestrians or drifting of snow caused by wind.
- b. "No parking" signs advising the public of the restrictions set forth in paragraph a. above shall be posted on all major highways which provide access to the Township. If any such highways are under the jurisdiction of another governmental entity which shall not permit the erection of such signs, the Township shall be relieved of this posting requirement. Nothing herein shall be deemed to abrogate the presumption that each person knows the various laws which apply in this jurisdiction. Failure of compliance with this subsection shall not provide a defense for charged violations of this subsection.
- c. Any person convicted of a violation of paragraph a. above shall be liable to a fine of not more than five hundred (\$500.00) dollars for each offense. In addition, any vehicle left parked in violation of paragraph a. above shall be liable to be towed upon order of the Township, County or State Law Enforcement Officer and the owner thereof shall be liable for the cost of towing and any storage charges accruing.
