

Township of Millstone Recycling Department

Are you still using this recycling bucket?

Now is the time to replace it!

(Bottles/Cans and Bundled Mixed Paper can now be “**commingled**” using this new bucket. The Mixed Paper must be *bundled and placed on top of the commingled recyclables* when you put out your recycling bucket to the curb.

Please stop by the Department of Public Works or the Recycling Center to drop off your “old bucket” and receive your “NEW RECYCLING BUCKET with LID”.
